## **Campus News**

On Wednesday, nearly 200 area high school students participated in the first annual Health Sciences Career Fair on the campus of MSU – Great Falls. Students interacted with area medical professionals in hands-on activities that promoted various healthcare careers, exposing them to the opportunities available in these fields. The event was a collaborative effort with Great Falls Public Schools and MSU – Great Falls, and funding was made possible CollegeAID, the internal donations of MSU – Great Falls faculty and staff.

February is Children's Dental Health Month and for the second year, MSU – Great Falls Dental Hygiene students will be engaging in public activities to promote community dental health. Students will be giving Oral Hygiene education to Preschools, elementary schools, and community programs. Three second year Dental Hygiene students are organizing a field trip to the Headstart Dental Clinic. First year Dental Hygiene and Dental Assisting students will be involved in the activity.
