

MSU Great Falls College of Technology Federal Stafford Loan Lender List

We recommend the lenders listed below as these lenders use the Montana Guaranteed Student Loan Program (MGSLP) to process and deliver their loans electronically, which results in an accelerated delivery of funds. **Please note that you have a choice of any lender that participates in the Federal Family Education Loan Program (even lenders that are not listed below).** Interest rates are identical for all federal student loan lenders. Additional borrower benefit information for the lenders on this list can be compared by visiting our website: <http://msugf.edu/finaid/Loans.htm>
