

Graduation Applications

All attached forms must be completed and turned in with your Application for Graduation. The information is a required portion of the graduation process. The COT Graduate Survey is required for follow-up purposes.

Graduation Application Checklist

1. Obtain a copy of your advising form from your advisor or the program assistant in your department.
 2. Fill out the advising form including the grade for each class.
 3. If all required courses have been completed or are in progress, fill out the graduation application packet.
 4. Have your advisor sign off on your graduation application.
 5. Turn in completed graduation application to the Cashiers along with your graduation fee payment.
